

fail

1) Change the underlined negative construction by using the verb *fail*.

- a) A defendant committed for not giving bond shall be discharged by the officer having him in custody, upon giving the required bond, or at the expiration of the time for which he has been committed.

- b) The attorney shall immediately file a copy of the motion with the court of criminal appeals, and if the attorney does not do so, the court may take any action to ensure that the applicant's right to federal habeas review is protected.

- c) If a defendant does not appear in response to the summons a warrant shall be issued.

- d) An employee of a law enforcement agency is not liable for damages arising from complying or not complying with Subsection (b) of this article.

- e) A witness required to give bail who does not or refuses to do so shall be committed to jail as in other cases of a failure to give bail when required, but shall be released from custody upon giving such bail.

- f) If the court does not enter the order within the time required by this subsection, any magistrate in the county in which the offense occurred may enter the order.

- g) No person after not appearing timely may contest destruction or forfeiture.

- h) A witness who is in custody for not giving bail shall be at once released upon giving bail required.

- i) An appeal may not be dismissed because the defendant did not give notice of appeal in open court.

- j) The court shall order the acquitted person discharged and immediately released if the evidence does not establish that disposition under Subsection (c), (d), or (e) is appropriate.

- k) A juror who is properly summoned and does not appear, other than a juror exempted by law, commits an offense.

- l) A defendant committed for not giving bond shall be discharged by the officer having him in custody, upon giving the required bond, or at the expiration of the time for which he has been committed.

- m) A law enforcement agency or an employee of a law enforcement agency is not liable for damages arising from complying or not complying with Subsection (b) of this article.
